**Parking and Drop-off Area**

Coaches and Club Chairpersons, with parking passes, will be permitted to park in the designated areas on Victoria Club property. Certain areas of the parking lot are reserved for VC golf members only.

Carpooling and ride sharing services are strongly recommended as parking at VC is very limited. There will be a drop-off and pick-up area near the Team Area. After drop off, signs and volunteers will direct you to park in the neighborhood (Thursday) or down on the driving range (Friday & Saturday only). There will be signage and a volunteer to direct you to the pedestrian path back up to the pool. It is recommended you take the pedestrian path from the pool back down to the driving range to retrieve your vehicle and pick up your swimmers in the pick-up zone. Please allow adequate time to park and walk to the pool or team area, especially Friday and Saturday. A map of the parking facilities has been provided for your reference.

### **Team Area**

The tented team area will be set up between the tennis courts and Tennis Chalet. Team Areas will be labeled and your designated space will also be referenced on our map. Approximately 20' x 50' area will be provided for each team. Additional tents can be set up adjacent to your team area. **Children should be supervised at all times. We suggest parents take turns supervising the team area while each other's swimmers compete.** Additionally, VC is a fenced property but we will not be providing overnight security specifically for the team area. You may leave items in your team area but it will be at your own risk. Smoking is prohibited in and near the team area.

### **Restrooms**

Portable restrooms with hand washing stations for swimmers and their families will be provided near the team area. The ladies pool locker room will be available and a family restroom is adjacent to the Tennis Chalet by the back stairs to the pool.

### **Staging Areas and Event Access**

Initial staging will take place on the grass between the tennis shed and the Tiki Bar / Overlook area. Swimmers will enter the pool deck through the front main stairs to the pool. On Saturday, swimmers will be escorted directly to the Awards Staging area before taking the podium with their medals.

Only staging volunteers, coaches, team photographer and Club chairs are allowed in any of the staging areas and in the restricted pool deck areas. EVERYONE must wear their badge. Parents are asked to please get your swimmers to initial staging with their cap and goggles. Event staging announcements will be made on the speakers near the team area as events are being staged.

### **Team Photographer**

ONE (1) team photographer per Club will be allowed in the restricted pool area with an authorized pass in order to take photos of their swimmers. We ask that all photographer passes be visible.
